Scholarship Selection Committee- Letter of Reference for Ashton Phoenix

To whom it may concern:

Ashton Phoenix was a student in my Introduction to Social Work (SWU 102) class at Phoenix College. I am pleased to report that Mr. Phoenix passed my course with an "A". I know the importance of a quality education. I also know how much a scholarship can aid in one's educational goals. Ashton Phoenix is worthy of your scholarship to further his education journey. He is a dedicated student and would not take this opportunity for granted.

Mr. Phoenix's determination to succeed has led him to excel in my class. He consistently got excellent grades on his homework and tests, and he participated in class regularly. Compared to the other students in class, Ashton's grades have always been at the top. Mr. Phoenix makes sure his education takes a top priority in his life. I am confident that he will put your scholarship to good use.

I was very excited to hear that Ashton was prepared to transfer to a four-year university. As a community college professor, it is gratifying to see your student make this transition. Ashton Phoenix is an excellent candidate for your scholarship. I believe in his abilities and strongly feel that he will continue to grow through higher education. I sincerely hope that you consider Mr. Phoenix for this scholarship. He is deserving and I am confident that he would make you proud too. I am more than happy to make myself available via phone or email should you have any further questions.

Sincerely,

Shakira Pipher, MSW
